

Recommended Maintenance Schedule

| Recommended Service                                    | Every 3,000 | Every 6,000 | Every 12,000 | Every 15,000 | 21,000 miles | 30,000 miles | 42,000 miles | 45,000 miles | 60,000 miles | 63,000 miles | 84,000 miles | 90,000 miles |
|--|-------------|-------------|--------------|--------------|--------------|--------------|--------------|--------------|--------------|--------------|--------------|--------------|
| Change Engine Oil & Filter, Top Off Fluids, Inspection | X           | X           | X            | X            | X            | X            | X            | X            | X            | X            | X            | X            |
| Rotate Tires & Adjust Air Pressure                     |             | X           | X            |              |              | X            | X            | X            | X            |              |              | X            |
| Replace Cabin Air Filter                               |             |             |              | X            |              | X            |              | X            | X            |              |              | X            |
| Inspect Exhaust Heat Shields                           |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Insect Cooling System, Hoses & Clamps                  |             |             |              | X            |              | X            |              |              | X            |              |              | X            |
| Replace Air Filter & Clean Housing                     |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Inspect Front & Rear Brakes                            |             |             | X            |              |              | X            |              |              | X            |              |              | X            |
| Change Auto Transmission or Transaxle Fluid            |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Inspect Accessory Drive Belts                          |             |             |              |              |              |              |              |              | X            |              |              |              |
| Balance Wheels & Tires                                 |             |             | X            |              |              |              |              |              | X            |              |              |              |
| Clean Fuel Injectors & Throttle Housing                |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Spark Plugs-Inspect for Replacement                    |             |             |              |              |              |              |              |              | X            |              |              |              |
| Drain, Flush & Replace Engine Coolant                  |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Lubricate Pitman Arm & Steering Stops                  |             |             |              | X            |              | X            |              |              | X            |              |              | X            |
| Clean Combustion Chamber & Clean Carbon                |             |             |              |              |              |              |              |              |              |              |              | X            |
| Memo: Check Timing Belt For Replacement                |             |             |              |              |              |              |              |              | X            |              |              |              |
| Change Differential Fluids                             |             |             |              |              |              | X            |              |              | X            |              |              | X            |
| Align Front Suspension-4 Wheel Alignment               |             |             |              | X            |              | X            |              | X            | X            |              |              | X            |
| Change Fuel Filter                                     |             |             |              | X            |              | X            |              | X            | X            |              |              | X            |
| Power Steering Flush                                   |             |             |              |              |              | X            |              |              | X            |              |              | X            |

Note: This Service menu is based on the manufacturer's (and dealer) maintenance recommendations and may meet or exceed those recommendations. It is designated to cover the needs of a vehicle driven under local area driving conditions. You may require more or less maintenance depending on use, driving conditions and special equipment or options. Please consult the maintenance section of your manufacturer's owner manual for minimum recommended maintenance requirements. Prices for similar operations may vary according to vehicle model and are subject to change without notice.
