Set Up / Settings

After the download and installation process completes, launch the Tubbs Brothers Mobile App. Under the **Settings** icon, fill in your name and contact information. Next fill in your vehicle information; you can add up to 5 vehicles per your account. Optionally for your convenience, you can enter your driver's and insurance data.

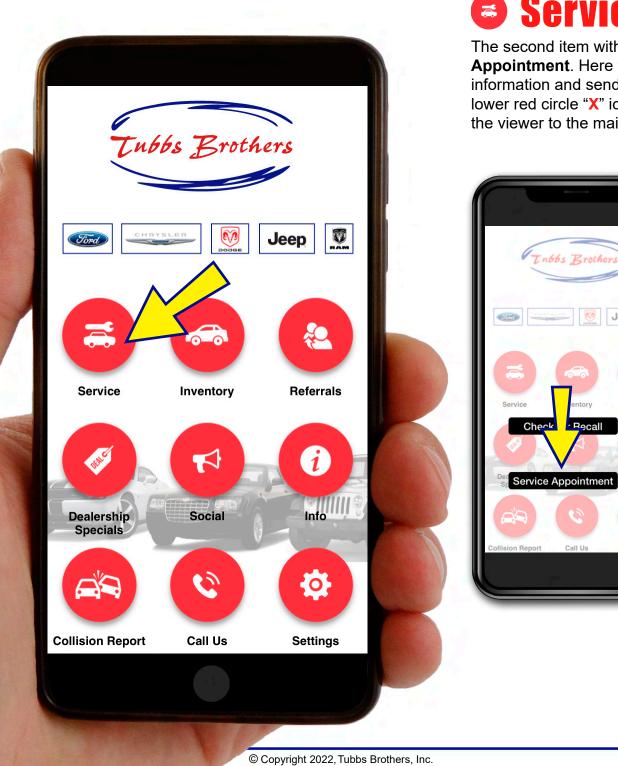

The first item within the Service section is Check for Recalls. By selecting this, the viewer will be directed to the United States Department of Transportation (NHTSA) website. By entering a vehicle VIN number, NHTSA will report safety recalls from the past 15 calendar years.

Dealership Specials

In the **Dealership Specials** section, discounts and special offers unique to our **Mobile App** users are listed. These specials are divided into **Service**, **Sales** and **Parts** categories. Click on the category of interest for additional details.

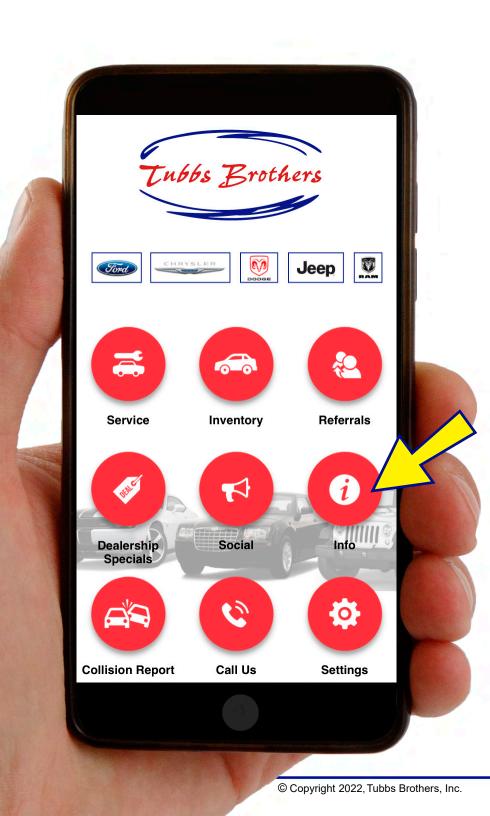

🛛 Social

Choosing the **Social** icon will present viewers with Tubbs Brothers popular social media platforms. We utilize them to stay connected to our customers and promote community outreach. The various social media icons are listed along the top, as well as an icon on the far right to our active **Blog Page**. We encourage our viewers to visit all our pages to learn more, share content, and to express their thoughts.

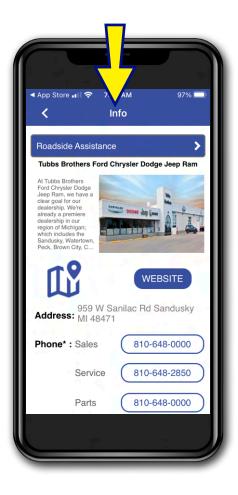

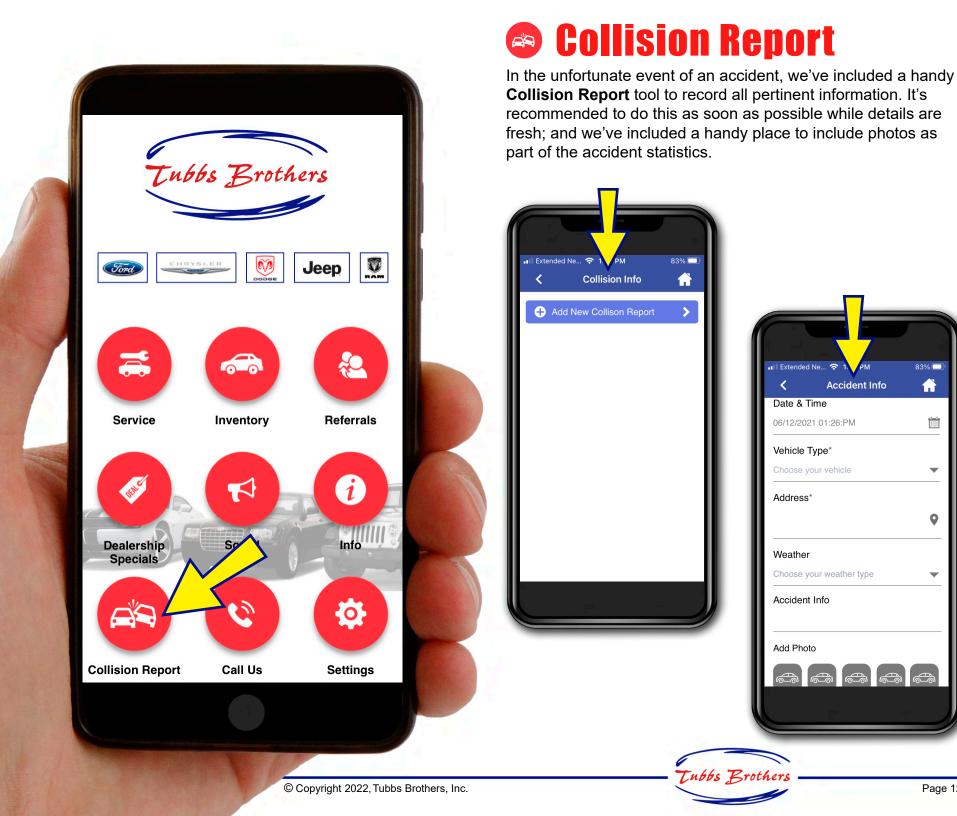

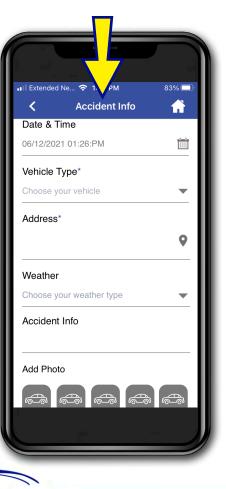

🛛 Info

Located under the **Info** section, viewers will find dealership contact information, a location map link, a website link, as well as hours broken down by department. This places all the predominant information in one convenient place.
